

# Kids Club Autumn 2020

A ten week course full of fun, creating funky arts and crafts. Projects tend to be seasonal so there will be plenty of autumnal and Halloween related arty mayhem to look forward to. The small group size will allow us to explore a variety of different techniques such as painting, mixed media and printing.

This class is dedicated to 8-11-year-olds who are keen on all things arty.

Lots of opportunity to get messy, creative and develop technique with a range of mixed media. Create some amazing masterpieces! Below are some examples of the work done in this age group.
